ercise to occupy their idle time, and that. Philadelphia is already doing to learn about nature and growing splendidly in this line under the directhings those lessons which the city chill tion of Miss Bennett, who worked with has so little opportunity to learn.

Discovery of the Ash Heap.

"Too much praise cannot be accorded success is not only a waste of time, but support which has been given the work

"The season had two halves:

All tald, Life children.
"There were fourteen different schools prosented by the little farmers. Fiften schools sent visiting classes recommendations of the commendation of the commendat tion of Miss Bennett, who worked with me at the De Witt Clinton Park farm in the earlier seasons. The kindest comment made on her work was by a little girl who inquired of her about the little girl who inquired of her about the Philanthropy.

Sixty-one common plants were "Sixty-one common plants were

his valor long ago and he has since

of his valor long ago and he has since been submissive.

Mr. Peabody was born in New York in 1849, graduated from Columbia in 1869 and was admitted to the har in 1869 and was admitted to the har in 1871. He has devoted himself chiefly to the handling of estates. For years he has been the American representative of William Waldorf Astor.

"I know something about the legal aspect of life insurance." Mr. Peabody said. "But I have had no experience with the scientific end. My work will be chiefly administrative."

What the defendants ask to have stricken from the complaint as of no importance are allegations that the defendants were members of both Harlem Directorate and the syndicate and made a personal profit out of the deal;

disagreeable charges stricken out of the complaint of three Harlem Railgrime of a score of years. A narrow, road stockholders to compel William tor Depew, J. P. Morgan and others,

president of the Mu uai Life Insurance to restore about \$1,200,000 of funds, alleged to have been wasted.

The complainants are William F. Blandy a Broad street banker and broker, and Misses Rose E. and Henrichta T. Sherman, of Rye, who hold a hours' debate, it was decided to remain broker, and Misses Rose E. and Hon-

plain cane-seated chair was at Mr. Peabody's desk, resting on a faded rug split across the centre and crudely sewn. The desk was old, scratched and dusty. There were no \$14,000 rugs in evidence, as in the case of the New York Life administrative offices.

Mr. Peabody is a little man of the Orrnegic type of build and countenance. He talks and acts with his for ever on the soft pedal. Astor-like, he is a conservative. Alchough extremely alert, there is no outward symptom of dynamic force. He stands up to an interview, a la Perkins, because he is timid rather than intense. He is bail-bearing from tip to toe, smooth as oil and sure as taxes. Discretion got the better part of his valor long ago and he has since

'commission."
At this time a \$50 Harlem stare was worth nearly \$300 in the market, and the bords, it is claimed, ought to have been offered to stockhelders and should have brought not less than \$1-2 per.

At the regular mon

made a personal profit out of the deal; that they are also directors of the New York Central then, in 1888, issuing \$100,-00,000 of hends which were borrowed by the syndicate.

HUNGARIAN SUFFRAGE BILL. BUDAPEST. HUNGARY, Dec. 19 .-The terms of the proposed Universal

mas gifts for the pupils. The Christmas exercises at the school when the gifts will be held next Friday afternoon. Mrs. Roosevelt during former Christmasses bought the presents for the pupils, and the President played Santa, Claus and distributed them. Male Suffrage bill, made public to-day.
